

# GOD'S ANSWER 2 CANCER E-BOOKLET

As you are reading this brochure; I am praying to God that you have not given up on whom ever it is that may be afflicted with that dreaded disease CANCER. I AM A CANCER SURVIVOR! I WAS DIAGNOSED ON OCTOBER 10<sup>TH</sup>, 2002 WITH CANCER. There is no situation that is too difficult for God. **None!**

My name is Monroe Ammon Trotter, I love The Lord and I hate CANCER. My dear father suffered and died from CANCER; My dear uncle suffered and died from CANCER; My dearest brother suffered and died from CANCER; My aunt is fighting for her life with CANCER! Now I hope you understand why I am sick and tired of CANCER.

When your doctor makes the statement "You've got CANCER!" That small little statement will blow your mind and change your life forever! I'm a living witness and you or someone whom you know or love may also be a witness.

I have dedicated the rest of my life to ministering to anyone and everyone who have been afflicted or affected by the dreaded CANCER diagnosis. CANCER affects entire families, neighborhoods, communities and nations.

People have told me that being only one person, how could I have any effect on people and their lives. I told them about a little boy who one day was walking up and down the beach, returning to the water starfish that had washed ashore and headed for eventual death if they didn't return to the ocean.

An old man was observing the little boy from a distance for some time. Finally, the old man approached the little boy and asked him what was he doing? The little boy replied, "I'm saving these starfish." The old man told the boy that he was foolish because he could not save the starfish; the old man said that there were too many starfish. The little boy picked up a starfish and threw it back into the water and told the old man, "I saved that one!"

By God's Amazing Grace, I intend to help all the people of this whole wide world, one person at a time.

I dedicated twenty (20) years of my life serving in the United States military, many of those years were in the Medical Department. Have you ever heard of a Navy Corpsman? They are highly trained battle-field Doc's. During the Vietnam War (conflict) many of the Navy Corpsman were busy saving Marines. I was told of Corpsman splitting rib-cages and performing cardiac massage on the actual heart muscle in an attempt to save another life. It is my understanding that Duke University began the first PA (Physician Assistance) program in America in response to the request of three Navy Corpsman.

After retirement from the Military Service, I worked for five years delivering health care services to the inmate population in the prison system. I saw and treated a very wide range of health challenges and diseases. I am not trying to establish any level of competence in medicine; my medical background was no help at all in the challenges before me in the arena of CANCER.

Five years of highly stressful prison medical services was enough for me. I resigned. Next I enrolled in and graduated from the finest Natural Remedies Holistic Hospital & Lifestyle Centers in the entire world. I had no earthly idea that The Lord was preparing me to receive from Him the Answer to Cancer.

With The Lord leading me, I was able to communicate with people from all walks of life, as far away as Germany, with the help of knowledgeable experts; I was able to create a fourteen (14) hour per day program to combat my CANCER.

I now invite anyone that is dealing or has a loved one or friend who is dealing with the challenges of CANCER to please view what might possibly save some time, money or perhaps even your/their life. Study this brochure very carefully.

As a Cancer Survivor I have compiled what I believe to be America's most explosive, dynamic and informative MULTI-MEDIA PRESENTATION ever made available! **The Cancer Recovery Kit contains 3 BOOKS, 3 CD's & 3 DVD's**  
Suggested Donation for the entire Kit **\$99**

This brochure is dedicated to convincing its' reader to give hope an opportunity and to give God a try.

The Holy Bible tells about how the Hebrew Nation was freed from their Egyptian bondage (slavery), they wandered in the wilderness for forty (40) years and constantly complained to The Lord God. The Great God of Heaven finally had enough and removed His protective care; very soon afterwards, many of them were bitten by poisonous vipers, suffering and death soon followed. God in His mercy directed Moses to construct and raise a Brazen Serpent. Anyone who looked upon the serpent with faith recovered and lived.

The Cancer Recovery Multi-Media Kit in my humble opinion is the Brazen Serpent of today. If the reader of this brochure or your loved one that is dealing with CANCER, would look to The Lord in faith and study the Cancer Recovery Kit carefully; I know that you would be rewarded.

We have a **"Cancer Recovery "Info Pack"** which contains **2 CD's, 1 DVD and 1 Brochure**. This is an outstanding value but lacks the full information of the Recovery Kit. Suggested Donation **\$15**

We also offer a **Sneak Preview Kit** which contains **1 CD & 1 brochure**. Suggested Donation \$7. We are currently giving this CD away FREE of charge.

Because of my diagnosis with CANCER! Everything that I will teach/share, in the Cancer Recovery Kit, I had the privilege and the need to utilize each principle on myself!

As I stated earlier working with traditional medicine in the Navy, afterwards treating thousands of patients in the "inmate population" fueled my appetite for natural remedies to treat my cancer. I communicated with experts all around the world. This extensive process worked for me and God is willing to bless you too! I could not afford to just become another fatality statistic like the rest of my dear family.

On a billboard in Chattanooga, Tennessee, reads "THIS IS HELP FROM ABOVE" and below the words is a picture of three medical people and a helicopter.

That billboard does not represent help from above! We need to learn to seek help from the only One who can offer Help & Healing from above...GOD!

The Holy Bible says:

- I wish above all things that thou mayest prosper and be in health. 3 John 2; The LORD wants us healthy.
- For I will restore health unto thee, and I will heal thee of thy wounds. Jeremiah 30:17; Jesus heals.
- I will take sickness away from the midst of thee. Exodus 23:25; only God is able to cure Cancer.
- I am the LORD that healeth thee. Exodus 15:26
- And Jesus went forth, and saw a great multitude and was moved with compassion toward them, and he healed their sick. Matthew 14:14
- There went virtue out of Him, and healed them all. Luke 6:16; Jesus is still in the healing business today.
- But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him. Hebrews 11:6; we must believe that God can.
- Verily, verily, I say unto you, he that believeth on Me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. John 14:12
- When we neglect to pray for the sick, we are depriving them of a tremendous blessing! Angels of God are waiting to minister to those sick persons in response to our petitions and prayers!
- We need to praise God much more often! Nothing tends more to promote health of body and soul that does the spirit of gratitude and praise.
- If human beings would open the windows of the soul heavenward in appreciation of the divine gifts from above, a flood of healing virtue would pour in.

I have several pages that list all the promises in the entire Holy Bible on healing. I offer these pages as a FREE BONUS when you order your Kit. God's Word is comforting.

The Lord revealed to me through people and organizations the most dynamic and informative information on CANCER. This brochure and or the Cancer Recovery Kit are not offering any medical advice or treatments. The sole purpose of all of our materials is to explain what I was directed to do, discuss the scientific details and convince the reader that God is still in the healing business today.

My research gave me the following conclusions about CANCER. When you are diagnosed with CANCER, you have proven that you are able to grow CANCEROUS CELLS and tissues and you have proven that your IMMUNE SYSTEM failed at an earlier opportunity to destroy the CANCER. Armed with these thoughts; The Lord was getting me ready for His knowledge & wisdom.

It is my understanding that CANCER desires a Sweet, Airless (anaerobic) and Acidic environment. The approach that God gave me addressed these issues.

Resolving the sweet issue, fully oxygenating the body, going from acidic to alkaline and fully enabling the immune system were the objectives to be targeted. Furthermore, the use of a four herb combination discovered in Canada provided the medium for The Lord to heal me and I praise Him for that and I thank Him in advance for giving you the faith and knowledge to be healed

***Now let us get into the meat and potatoes of why the Cancer Recovery Kit is a revelation from God! Let us discover why it is radically different from the norm. Man's way of Cancer treatments! VS God's Way.***

You should be aware of how cancer is treated! Each of us knows of someone who has received the diagnosis and obtained some form of treatment; the outcomes are obvious, they are for me, pain suffering and death for all of my relatives. As a Holy Bible believing Christian, I had to ask The Lord if cutting, burning and poisoning was His chosen method for me to rid myself of the dreaded cancer that was growing and thriving within my body. To my amazement, the Cancer Recovery Kit was God's Answer to my Cancer.

***The Cancer Recovery Kit will give the reader/viewer a firm grasp on the Healing of Cancer not the Treatment of Cancer!***

In the Cancer Recovery Kit you will discover the fermentation process of Cancer. You will be instructed to understand Cancer biology, Cancer pathology, Cancer terminology and exactly what environment is conducive for Cancer growth and how to create the environment conducive for Cancer cells to die. You will fully understand why fully oxygenated, alkaline bodies are so destructive to Cancer. You will become proficient at supercharging the immune system, thus enabling it to function and do what The Creator intended for our immune system to do; and that is, to protect us from harmful germs, viruses, molds, funguses and even Cancer itself.

In the Cancer Recovery Kit, it will be made known to you how Skin Brushing actually moves lymph fluids thus strengthening the immune system. You will discover how and why jumping up and down on a mini trampoline mimics Astronauts in outer-space and the supercharging influences this exercise has on the overall health of the immune system. It will become perfectly clear to the Cancer Recovery Kit owners how Fever Therapy places our immune system into high speed. An acute awareness of foods that enable the immune system and foods that cripple the immune system will be fully explained in the Cancer Recovery Kit.

The Holy Bible makes it very plain about the fact that God Himself made it clear; God said, "My people perish for a lack of knowledge." It is my humble opinion that many of God's people are perishing from that dreaded disease Cancer. The total intent of the Cancer Recovery Kit is to enable each and every one of us to be equipped to proceed into a position of healing if or when we are told by our physician, "you've got Cancer!"

Many are diagnosed with Cancer and fear is always the sure outcome. The problem really begins when uncertainty, doubt and worry dominates the thinking processes. The Holy Bible says Perfect Love cast out Fear. We must overcome and get rid of fear, with the Cancer Recovery Kit you'll learn how.

I speak and share often about the Holy Bible, I have too! Quite often I'm asked if the Cancer Recovery Kit will help someone who does not believe in God or the Holy Bible? My response is always the same. I tell them of a man that jumped off of the Empire State Building, he did not believe in gravity. I trust each reader is fully aware of his eventual condition! The Lord God is much larger than gravity.

***The Cancer Recovery Kit is designed to position each of us to receive Divine Healing that only comes from God.***

In the entire Holy Bible every instance of healing happened as a result of one of three processes or conditions. Condition number one, the person in need of healing positioned him/herself in close enough proximity to The Lord and his/her faith was sufficient to receive Divine Healing. Condition number two, the person was too ill to come to The Lord and Jesus Himself came within close proximity, if faith was present, Divine Healing came. Condition number three, the diseased/afflicted person was brought close enough to The Lord and either the sick person's faith or the faith of those persons who brought the sick person was great enough for Divine Healing to be the result.

***The Cancer Recovery Kit will offer each reader/viewer faith great enough to receive Divine Healing! Yes! The Cancer Recovery Kit will position the reader/viewer to receive or show others how to receive Divine Healing.***

The Cancer Recovery Kit will expose the reader/viewer to the miraculous workings of Dr. Johanna Budwig of Germany and Rene Caisse, RN of Canada. These two ladies were used by God and their impact on Cancer should be known all over the world. You will discover and learn how to benefit from their findings. It will become apparent that God is still in the Divine Healing business. **Omega acids and Essiac tea will be instrumental in positioning oneself to receive Divine Healing, which only comes from God. Mankind cannot heal! Never, never forget that! Mankind cannot heal diseases!**

The Cancer Recovery Kit will demonstrate to each reader/viewer that there are foods that are harmful and crippling to the immune system; there are foods that are beneficial in supercharging the immune system. Furthermore, you will discover substances in foods that actually promote Cancer growths. Everyone in the entire world has to know this knowledge, they must! I am troubled when I speak with Cancer patients who are being treated by their doctors and they tell me, "My doctor didn't change my diet! I can eat anything I want."

## ***The Cancer Recovery Kit will make you aware of the Healing Promises of God!***

If you asked, "why would knowing the promises of God be important?" I'll tell you. What if I was able to, without your knowledge, go to your bank checking account and deposit one million dollars into your account without informing you. Would you benefit from it? No! Why? Because you would not be aware of the money, you would not write checks for cars, boats, homes and other needs and wants, because of a lack of knowledge of the extra monies in the account.

The promises of God are the same way. Because we are not aware of them, we don't claim them. It's just that simple. In the Cancer Recovery Kit you will receive a list of just about every promise in the entire Holy Bible on Divine Healing. We must know them so that we can claim them for ourselves and our love ones. The promises of The Lord are **conditional!** Comply with the condition and claim the promise. If God's People believed that, the health care system would see a lot less of us. Amen!

In the Cancer Recovery Kit, you will discover the link between Sunshine and Fresh Air and the progression or lack of progression of Cancer. This statement might be the greatest secret revealed ever. Please, please get the Kit; you've got to read, hear and see this information. Remember, we are perishing for a lack of knowledge.

If God gave us life, and He did; then you have to understand why I am troubled when someone tells me that, "My doctor says, I have two months to live!" Only God can give life and only God can.... We must never give up! Never, Never give up. The Holy Bible says, "If we have faith the size of a mustard seed, we would be able to move mountains." And I'm here to tell you that Cancer is a mountain.

Please order the Cancer Recovery Kit today. You will discover the education, knowledge and expertise to have come directly from the Throne of God. We have had enough suffering, pain and death from Cancer; I know in my family we have!

You will discover as a bonus, how to combat the upcoming Flu outbreak as well. You see, when you enable and supercharge the immune system that The Lord in His mercy gave us, it will become very clear that sickness does not have to befall upon us (God's Children) Get your Kit and enable your Immune System.
