

## Everybody's Afraid

- Some people are afraid of cancer, and its treatment.
- Some people are afraid of the "Bird FLU."
- Some people are afraid of Acquired Immune Deficiency Syndrome (AIDS).
- Some people are afraid of employer cutbacks reducing their Health (Sick) Care benefits.
- Some of us are afraid of running out of money and not being able to buy those toxic addictive drugs.
- Many people are afraid that a disease or affliction will force them into bankruptcy.
- A large portion of Americans are afraid of a health-care system that may harm them.
- Outsourcing, employer cutbacks and down sizing are leaving scores of people without medical coverage.
- And some people are sick and tired of being sick and tired, they are demanding other options.

These are grave concerns for all of us. But being fearful is not the solution! The only answer is the **Divine Healing Boot-Camp**. In our workshop each participant is guaranteed to learn:

- What foods heal & what foods kill your immune system!
- Why certain food supplements must be taken on a regular basis!
- How to rebound (mini-trampoline) your immune system into overdrive!
- How to effectively utilize the sunshine to jumpstart your defense system!
- Water therapy & fever therapy to supercharge with elevated temperature!
- Why colloidal silver must be utilized for optimal immunity!
- How to pump up the immune system with "Rocket Fuel"
- To discover how stress can weaken our immune response!
- Breathing your way back to superior health!
- Too much more to mention here.
