God's Answer to my Cancer

The Lord Healed Me! "The Answer To Cancer."

This is what I did!

In my seminar I will discuss each item listed below in detail.

- Prayer upon arising. This is the vital force that connects...
- Essiac Tea, 2 oz with 2 oz of distilled water, drink slowly, 1st of 3 daily.
- Water, 30 oz of distilled water with lemon, lime and cayenne pepper.
- Exercise, morning walk, up to two miles was my target distance.
- Rebound, mini trampoline; followed by Hydrotherapy.
- Flaxseed oil, 2 TBSP with some Soy milk. I did this am and pm.
- Morning vegetable drink. ¼ green pepper, 2 leaves of red cabbage, 2 leaves of chard, 4 leaves of watercress, 4 leaves of romaine lettuce, 4 leaves of escarole, 2-3 carrots and 1 apple. This is the perfect formula. Do not alter! I drunk it 2-3 times each day.
- Paud'd arco, Red Clover and Chaparral tea, I drunk several times daily.
- I made sure to get a total of 1 hour of sunlight in the am, before 10am and in pm, after 4pm. Gradually work up to...
- I did deep breathing exercises several times daily.
- Bible study, drawing very close to GOD, was very important to prepare myself for divine healing.
- To bed by 9:00pm, Sleep between 9-12 is most important! All lights must be out.

**This is what I did and the Lord rewarded my efforts!
I know for certain that Jesus is still in the healing business.**
