

# God's Answer For **Cancer.com**

## Letter to Pastors

Pastor, if you are genuinely interested in the health and well-being of the members of your congregation, then you **must** tell them about the CANCER seminar!

My name is Monroe Ammon Trotter, and I was delivered from CANCER and four packs of CIGARETTES a day—without drugs or poisonous chemicals.

**I must tell others!** I am therefore traveling across this country conducting **God's Answer to Cancer** seminars.

If you believe that there has to be a better way to wellness, I invite you to inform every member in your community and church about the upcoming seminar on 4th June 2006.

In my seminar, participants will learn:

- Which foods HEAL and which foods KILL.
- How to Manage CANCER without Burning, Butchering or Poisoning. With God's help, I did and you can too.
- The best way to lower cholesterol, thus reducing circulatory diseases, without dangerous drugs and their side effects.
- How to prevent the wide spread FLU from afflicting you and your family, by in-powering your immune system.
- How to effectively deal with all kinds of SKIN wound problems.
- Too much more to mention here...

Call me at home on (423) 236-5233  
or at the office on (423) 236-4592.

Or email me at [monroe@GodsAnswerForCancer.com](mailto:monroe@GodsAnswerForCancer.com).

PS—Pastor, healthy members give less at the doctors' office and more to The Lord's work in the church. PASS THE WORD!
