

The Great Physician's Wellness Center

Are you sick and tired of being sick and tired?

IT'S TIME TO
TELL THE TRUTH!

Can you imagine a place where Jesus Christ is the Master Physician? Jesus did not care about people having insurance and paying co-pays. Visitors to our wellness center will not be required to pay \$60.00 to \$200.00 that could be required at their Doctor's Office or the Emergency Room.

IMAGINATION has become a REALITY

Jesus is still in the Healing Business. We will prove it!

The Wellness Center is located inside Pioneer Fellowship Church on Lee Hwy in Ooltewah, TN (9515 Lee Hwy, Suite N). The Center is located just three blocks east of the Samaritan Center; across the street from the Junkyard Mafia (yellow crashed airplane) in the Oakie's Plaza, near the Volunteer Fire Department.

Can you imagine

- Utilizing Figs, Honey or something sweet to heal an open wound? The Holy Bible recommends it and we will teach it!
- Utilizing Water (Hydrotherapy) to help the body to overcome a disease? The Holy Bible recommends it and we do too!
- Utilizing Mud/Clay to remove toxins & poisons? The Holy Bible recommends it and we will use it!
- A place where people are helped in their quest for wellness and money, insurance and how much to pay are never mentioned.
